

# COMPANY PROFILE

BLENDING QUALITY, CRAFTSMANSHIP,  
& CUSTOMER CARE

Provide professional and affordable services to small, medium and well established corporations/businesses

## ABOUT OUR COMPANY

Ikhwezi Renovations and Property development (Pty) was founded in 2011 by Nkanyiso Nhleko, a young ambitious entrepreneur from Johannesburg with an ambition to create job opportunities and skills development for the unemployed personnel across the gender spectrum.

Since then, Ikhwezi Renovations and Property development (Pty) has become one of the best reputable construction, renovation, installation, decorating and painting companies that excels in providing clients the most high quality finish every time. Regardless of interior or exterior our decorators can renovate homes and offices to bring back the fresh look that fades away with time.

All contracts undertaken are regularly inspected by project managers who quality control all works carried out and ensure a high quality finish is provided. Our constructors, painters and decorators only use quality tools and equipment which allow us to professionally carry out all decorating renovation to a high standard leaving the premises clean and tidy once work is finished.

# OUR MISSION

To pursue and deliver excellence in every paint work we are involved in and at the heart of every project sits a team of well trained and experienced painters. We believe integrity and quality to be paramount to volume and profit. Founded with no corporate backing, the belief that treating both clients and employees with respect and delivering a quality, timely product is what drives our business to be successful. Our aim is to build a company which provides clients with 100% satisfaction, to offer a reliable service, with flexible & innovative programs coupled with individual and friendly service.

## OUR VISION

To provide professional and affordable painting services to small, medium and well established corporations / businesses

## OUR VALUES

We value our customers putting the needs of our customers at the heart of everything we do. We value personal responsibility, achieving constantly high standards. We value innovation, being inventive in our approach never allowing conventional thinking or bureaucracy to get in the way.
